

ANARCHISTS AGAIN.

Two Policemen Killed and Another Fatally Hurt in Paris.

Attempt to Destroy the Carmant Mining Company's Offices.

Curious Iron Vessel Found, Which Explodes While Being Examined.

ASSOCIATED PRESS:
PARIS, Nov. 8.—An explosion occurred in this city this morning by which two policemen were killed outright and another was fatally injured. The affair was undoubtedly the work of Anarchists who are seeking revenge against the Carmant Mining Company, whose long-contested struggle with their employees was apparently settled a few days ago.

This morning two policemen passing along the Avenue de l'Opéra, saw in front of the offices of the Carmant Mining Company a curious iron vessel, resembling a sarcophagus lying close to the building in which the Company's offices are located.

They picked the vessel up and carried it to the police station, where they and other officers began to examine it. They had been investigating only a few minutes when the vessel exploded with terrific force, instantly killing two of the officers, and so terribly wounding another that the doctors say his recovery is impossible.

The windows of the building were blown out, the plastering was torn off and the furniture broken and scattered in every direction. In fact, the whole interior of the building was wrecked, and so great was the force of the explosion that even the outer walls were damaged.

DETAINED AT ELLIS ISLAND.

Two Diamond Cutters Said to Have Come Over Under Contract.

The immigrant authorities on Ellis Island are investigating what they believe to be a violation of the Contract Labor law in the case of Joseph and David Kalf, diamond polishers, who arrived in this country from Amsterdam on the steamer Sparadam last Friday. It is claimed by the local diamond cutters, that the men were under contract to work for Stern Brothers & Co., on West Twenty-third street, and an office boy from Stern's was at the dock to meet the Kalf brothers when the passengers were landed.

The Contract Labor Bureau on Ellis Island has detained the Kalfs of the two men and prevented their landing.

Stern Brothers deny that they brought the Kalf brothers to this country, and assert that they were told when we came and sent a boy to meet them.

POINTERS ON THE RACES.**SIGNALS BY LIGHT.**

A Good Card Will Be Spoiled by a Heavy Track at Guttenburg.

The Mile Handicap Will Be the Best Feature.

The races at Guttenburg to-day will be run over a heavy track, and this will spoil what would otherwise have been a good day's sport. The card was well made up and high class horses were colored on the card. Another race for yearlings is a feature, but little interest is manifested in these so-called pando trials. The best race of the day should be the mile handicap, in which Badger, King Crab, Experience, Logan and other good ones are named to go. The handicap for two-year-olds, at five and a half furlongs, should also furnish a good race. Sandowne, Marguerite, Paul Arens, Highclaw, Vespaian and others will probably start. The other events promise well, and with good weather an interesting day's sport may be enjoyed. The entries and selections are as follows:

First Race. Purse of \$400, for maiden; six furlongs. McNamee's Bon Voyage..... 119
E. Chapman..... 107
J. H. Hartigan's O'Connor..... 107
U. W. Parker's John H.... 107
P. H. Ross's Lord Ballard..... 99
J. A. Murray's Vera..... 94
E. Leigh's Gambler..... 94
M. Lampy's Dan Smith..... 94
H. D. Hartigan's Blarney..... 94
S. Nedder's Foreigner..... 94
A. L. Ladd's Star..... 94
The finish in this race will probably be between the two semi-suds, Forget-Me-Not and Eugenie, and the writer prefers them as winners. The former was an importation over his rivals form and it should enable him to beat the others.

Second Race. Purse of \$400, the winner to be sold at auction; five furlongs. Mrs. L. H. Lammie's Jack Pot..... 119
D. H. Hayes' King Neptune..... 117
D. Hayes' King Neptune..... 117
J. Wharen's Olivier..... 109
E. Leigh's Blarney..... 109
H. D. Hartigan's Miss Jessie..... 109
S. Skadai, who will be remembered as the Breezy Bill, ran well enough in her last race to make her look a good thing in this race, but she is not strong enough to win. Paul Arens and Eugenie ought to defeat the others.

Third Race. Handicap; purse of \$500, for two-year-olds, five and a half furlongs. Glen Island Stable's Faile Abre..... 111
J. H. McNamee's Marguerite..... 110
E. Leigh's Dan Smith..... 109
C. Green's King Neptune..... 109
C. Green's King Neptune..... 109
H. D. Hartigan's Tilly Smith..... 109
J. Shire's Rhode Bill..... 97
A. L. Ladd's Star..... 97

Hightaway looks to have a trifle the best of the weights in this race and, filled with enthusiasm, should do well. Marguerite, though the distance is a bit too far, can run well, should get the place and Eugenie ought to defeat the others.

Fourth Race. Handicap; purse of \$500, one mile. J. Mullin's Badge..... 119
W. C. Hartigan's King crab..... 117
H. D. Hartigan's King Neptune..... 117
G. W. Detcheverry's Experiment..... 102
A. L. Ladd's Star..... 97
W. Portes' His Air Master..... 92

King Crab and Experience ought to be the next best. The latter, though he is not strong, will have an advantage in the going, for he revels in mud. Logan should beat the others.

Fifth Race. Purse of \$500, for yearlings; three furlongs, five and a half furlongs. J. H. Hartigan's Annunciation..... 107
E. Leigh's Blarney and White..... 107
J. H. Hartigan's Tilly Smith..... 107
J. Shire's Rhode Bill..... 97
Miss Star..... 97

The writer will not attempt to select a winner for this race, as it is a mile to run, but he private to name the horses.

Sixth Race. Purse of \$400, the winner to be sold at auction; one mile and a sixteenth. J. A. Dugan's Damey..... 119
J. Murray's Queenie..... 110
H. D. Bradley's Freesia..... 104
H. D. Hartigan's June Town..... 104
G. W. Newton's His Air Master..... 104
J. Shire's Anna..... 104
The racing event will be won by Harry Alonso, with Xenophon second and Alan T. third.
